FINANCIAL POLICIES

The professional services provided by this practice are for your benefit. All fees charged by this practice are your responsibility. For your convenience Gastroenterology Associates, P.C. and Sterling Surgical Center accepts Cash, Checks, Money Orders, Visa, MasterCard & Discover Card.

Insurance

Gastroenterology Associates/Sterling Surgical Center will bill your insurance as a courtesy; however, payment and/or payment arrangements are expected at the time service is rendered. After 60 days from the date of service, the account will be treated as a self-pay account and you will be required to submit payment in full or make acceptable payments. We will pre-authorize all procedures with your insurance company. If for some reason your procedure date is changed, please contact our billing office so we may notify your insurance company of the change whatever the reason. Failure to do so may alter your reimbursement with a denial or loss, making it your financial responsibility. You have authorized the assignment of your insurance benefits to this office for services. Professional care is provided to you, our patient, not to an insurance company. Thus, the insurance company is ultimately responsible to you, the patient, and you are responsible to the doctor. In order for us to file your insurance, we need to be provided with COMPLETE AND ACCURATE insurance information to avoid delays in payment (i.e. name, address, group, etc. of your primary and secondary insurance). Failure to provide us with correct information could possibly result in you being responsible for your account. **You are responsible for all fees not covered by your insurance company including, deductibles, co-pay and reasonable and customary fee differences.** Our office cannot accept responsibility for negotiating a settlement on a disputed claim. If you dispute the amount of payment made by your insurance company, you should contact your insurance carrier, your human resources department or your agent directly.

Payment

All payment arrangements should be made at the time or before service is rendered. Should it be necessary to make payment arrangements the following guidelines will be used, a minimum payment should be 10% of the original balance or \$50.00 whichever is greater. Should you need assistance in payment of your medical care, please let us know immediately.

The services provided by our physicians are the professional fee. For procedure related services there would be other charges, ie. facility fee, possible pathology charges, anesthesiology or other fees not charged by this practice.

Gastroenterology Associates/Sterling Surgical Center cannot be responsible for your bill with other agencies, i.e. labs, pathology, etc. Any problems with payment of fees other than Gastroenterology Associates/Sterling Surgical Center are the patient's responsibility.

Unpaid Accounts

Patients with unpaid delinquent accounts or accounts which have been written off to bad debt or collection may be denied treatment if not medically necessary.

Disclosure Agreement

I have been informed that the physician rendering services to me may have ownership interest in the following facilities: Sterling Surgical Center, Summit Medical Center, Casper Surgical Center, Sheridan Surgical Center, Sweetwater Surgical Center and Center for Surgical Excellence.
